ELECTION OF ELECTRONIC COMMUNICATIONS

Legislative changes to the *Corporations Act 2001* (Cth) mean that Redivium Limited's (**Redivium** or the **Company**) securityholders can choose how you would like to receive communications from the Company.

Redivium will no longer be sending physical meeting documents unless you request a copy to be posted.

We encourage all securityholders to provide an email address so we can communicate with you electronically when securityholder notices become available online, for items such as meeting documents and annual reports.

Securityholders can still elect to receive some or all of their communications in physical or electronic form, or elect not to receive certain documents such as annual reports.

You can view, download, amend or print your shareholding information and update your communication preferences as you choose. Please complete Steps 1, 2 and 3 shown below to register for online communications.
